

# Ⓢ Chemistree, Ⓢ Chemistree...

YOUR CHEMIS-TREE  
ORNAMENT MUST MEET THE  
FOLLOWING GUIDELINES:

1. Size - No larger than 10 cm on a side.
2. Material - Any non-flammable material may be used. You are expected to bring your own. If requested, materials such as wire or glass tubing will be provided.
3. Hanger - Your ornament must be equipped with a means of hanging it on the tree. The hanger does not count in the size requirement.
4. Subject - The theme of your ornament must deal with chemistry. It may also incorporate a Christmas theme.
5. Time - You will not be given class time to work on your ornament. You may spend as much time as you wish outside of class or during SRB.
6. Judging will be based on the above criteria as well as originality, creativity, and aesthetic value. The Chemis-tree ornament is to be completed individually.
7. Your ornament must be on the tree no later than 4 p.m., December 14.
